Meet the Team

Keynote Speaker

Kelsey Musich, is the Senior Environmental Planner at the Illinois Tollway. Ms. Musich is a Certified Professional in Erosion and Sediment Control and has 15 years of experience protecting natural resources and improving water quality in Northern Illinois. Currently, she has been charged with ensuring wetland and water quality permit compliance for the Tollway's MOVE IL program.

Dan Salsinger, CPESC, CISEC, is the Midwestern Sales Representative for Hanes Geo Components. Dan has served the erosion control industry for over 15 years.

Shannon Kerns, P.E., is the Regional Sales Manager for North American Green, with over 15 years experience consulting the owner, engineer, and contractor communities. Shannon earned her B.S. degree in Civil Engineering, with a Minor in Environmental Engineering from Rose-Hulman Institute of Technology. She is a member of the Order of the Engineer, the Engineering Directorate for the Construction Institute, the American Society of Civil Engineers (ASCE) and is a former President of Habitat for Humanity.

Craig Seger, P.E., is Contech's Armortec Area Manager for the central United States. He is responsible for Contech's hard armor and erosion control products. Craig has a Bachelor of Science degree in Civil Engineering from Michigan Technological University. He is also a member of the Society of the American Military Engineers (SAME).
